yawns

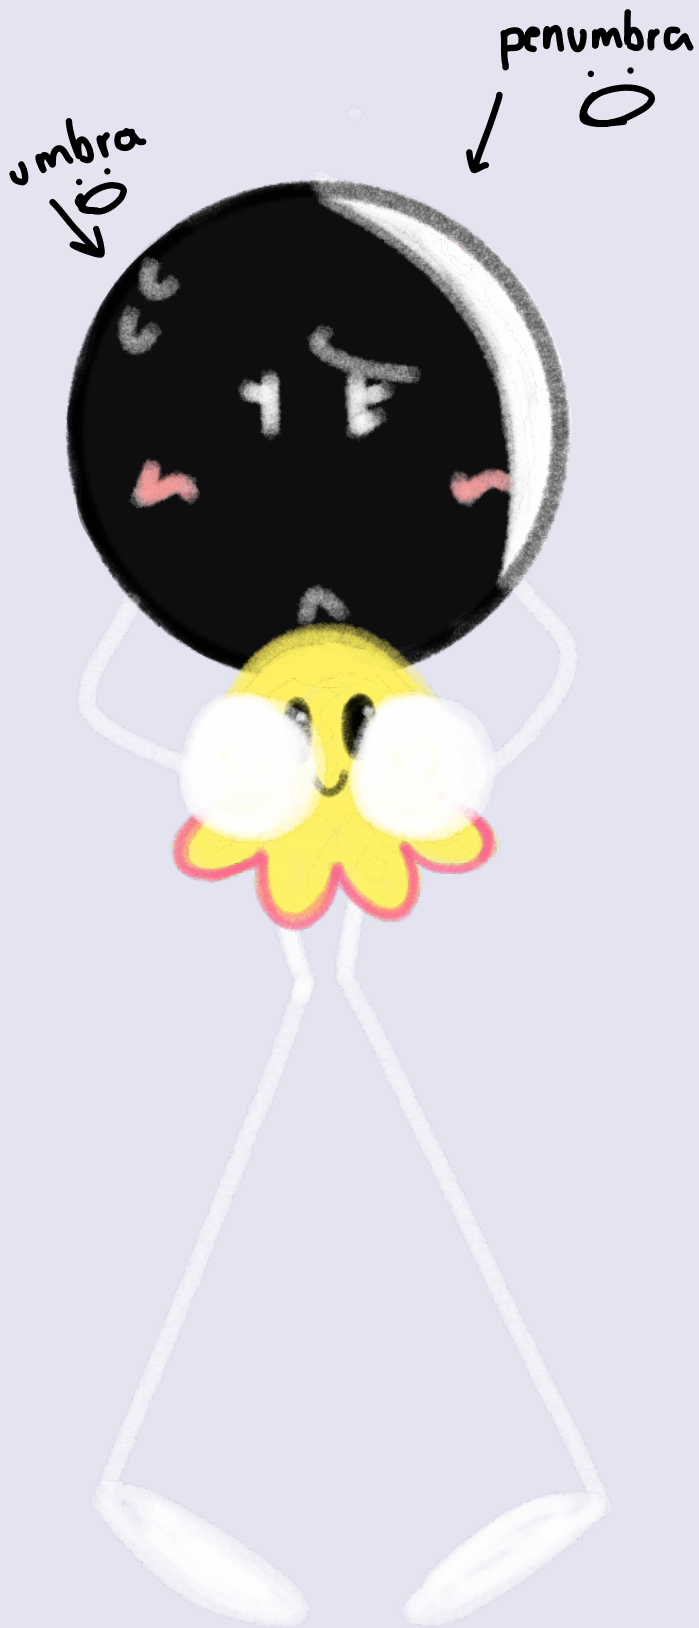

Easy
↳ dubs.

Is this
an eclipse?!
oh em
gee!!!

In between Earth and the
Sun 🤔🤔🤔🤔

Waxing Crescent Moon

- She/her
- The lighted part of the Moon as seen from Earth is increasing (hates interaction)
- The light on the right is new and bright 🐢🐢

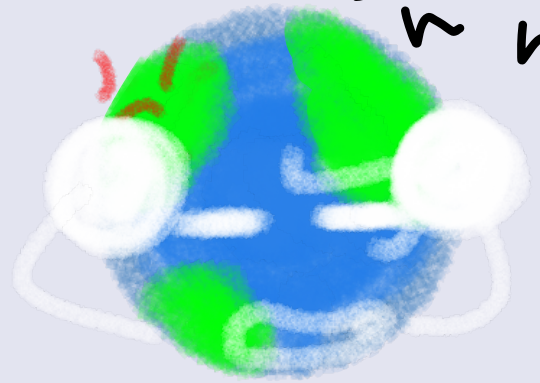

First Quarter Moon(s)

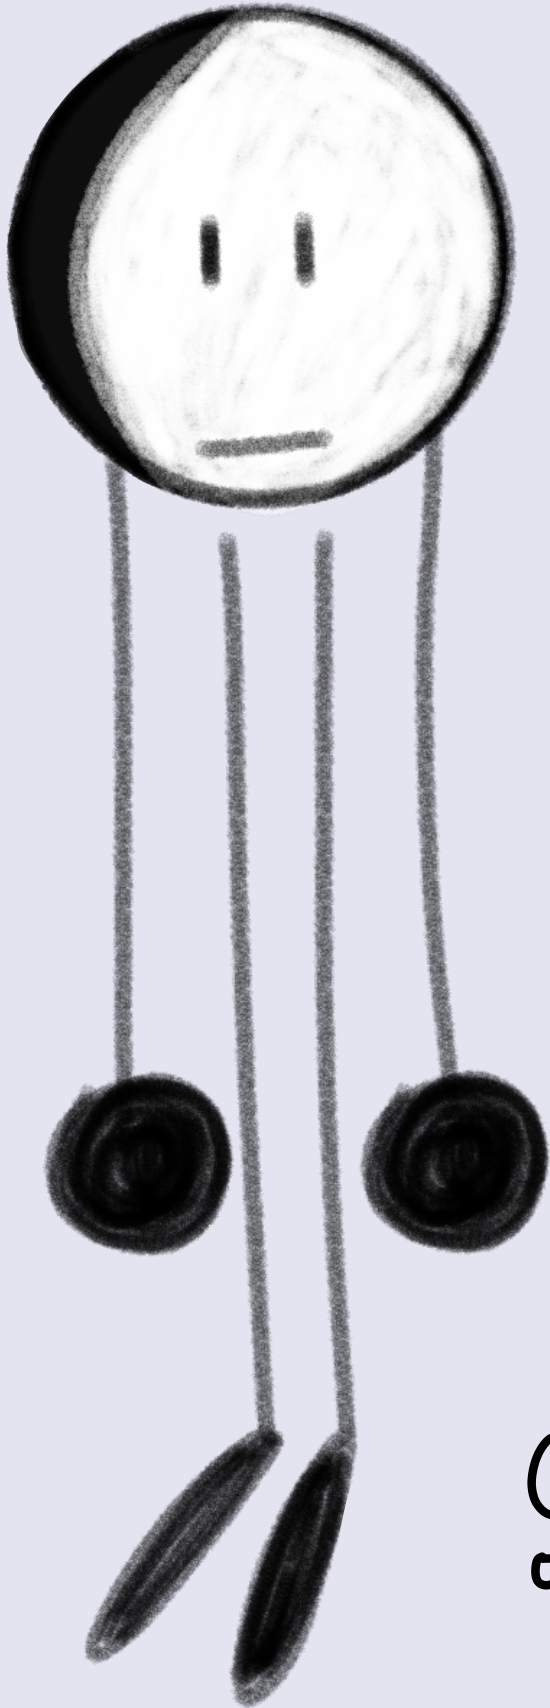

- She/him (siblings)
- The moon is one quarter of the way through it's cycle (pre-teens 😏)
- It appears to be half lit on the right (they're fighting over who gets to be lit next 😬)

I SHOULD BE LIT!!!
NO, I SHOULD!!!

Poor Earth
lol

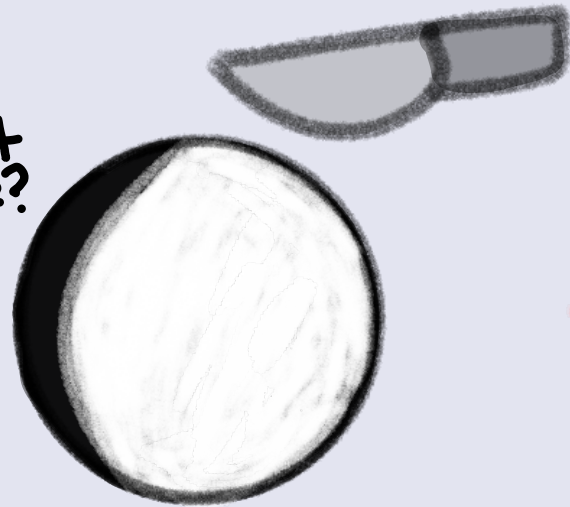

why he
starin 🤔

Waxing Gibbous Moon

- He/him
- From Earth, the Moon appears to be more than half lit on the right 🤔🤔

Is it
cake?

Nope.
It's a
Football.
(the shape
of the light)

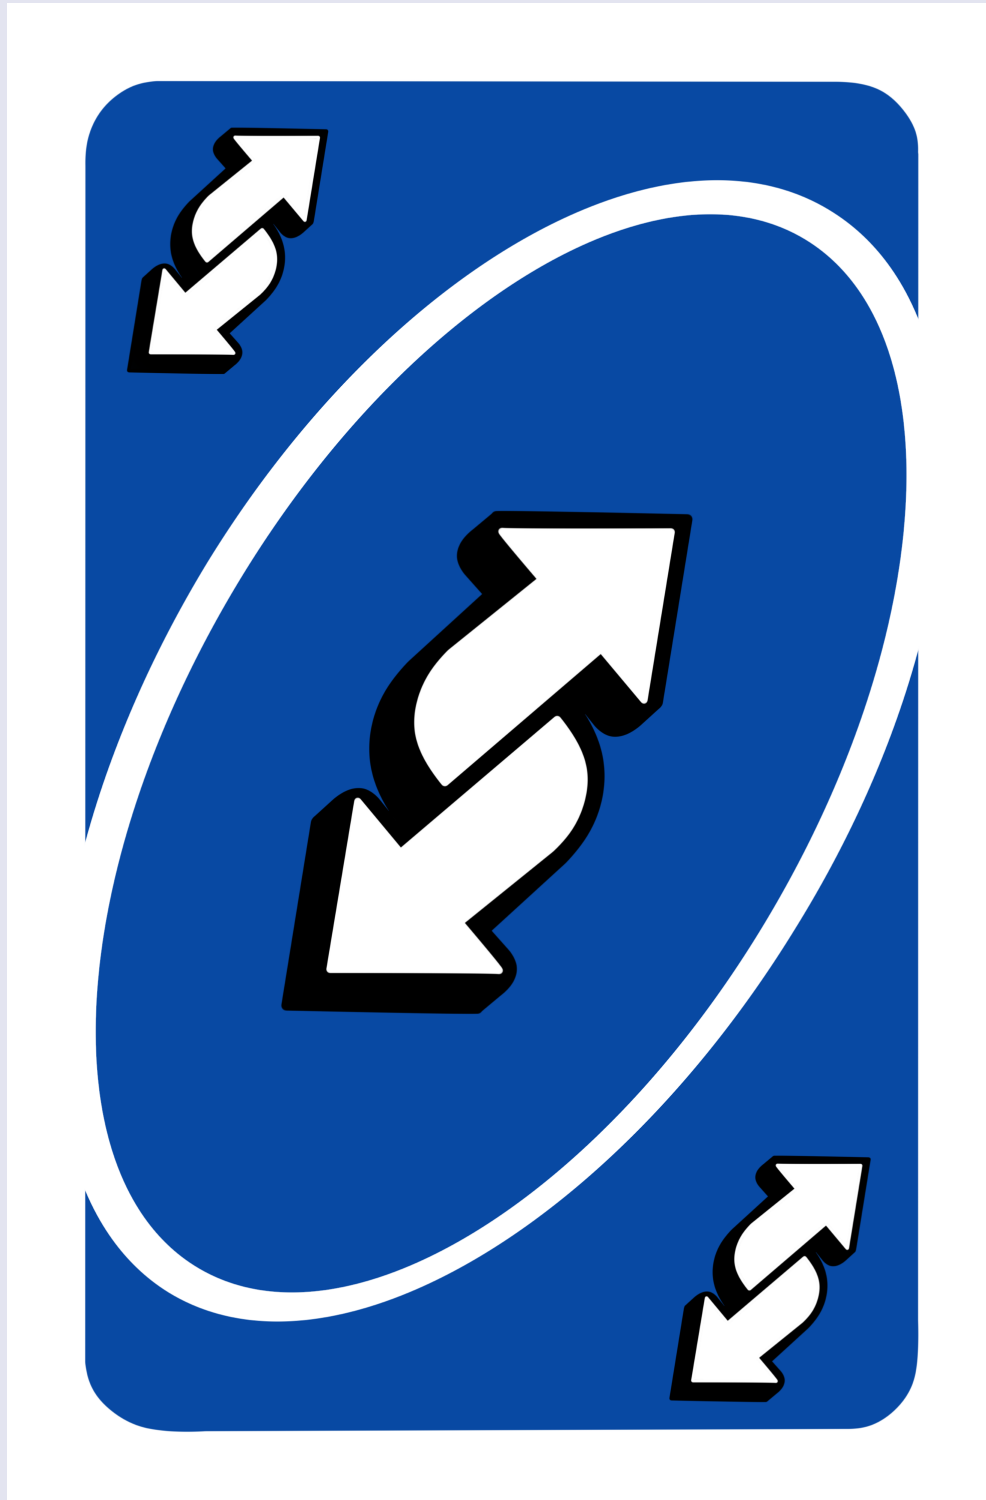

Full Moon

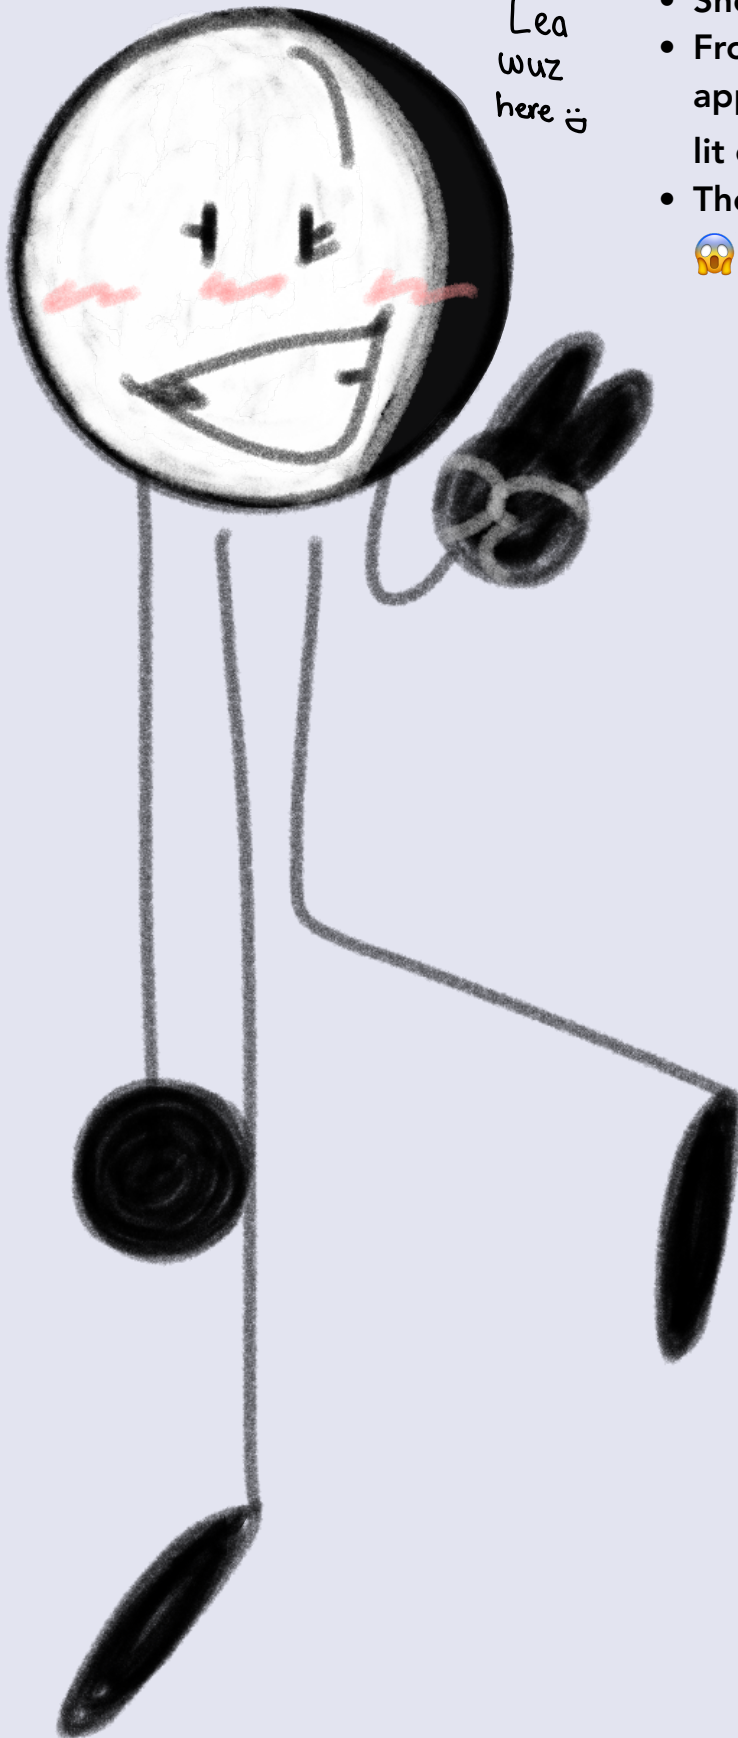

- She/her
- The Moon appears fully lit (she turns into a werewolf 🤪)
🤪🤪 [not a furry shush]

WANING TIME!!!!!!!!!!

WOAH!!!!!!!!!! 🤯🤯🤯🤯

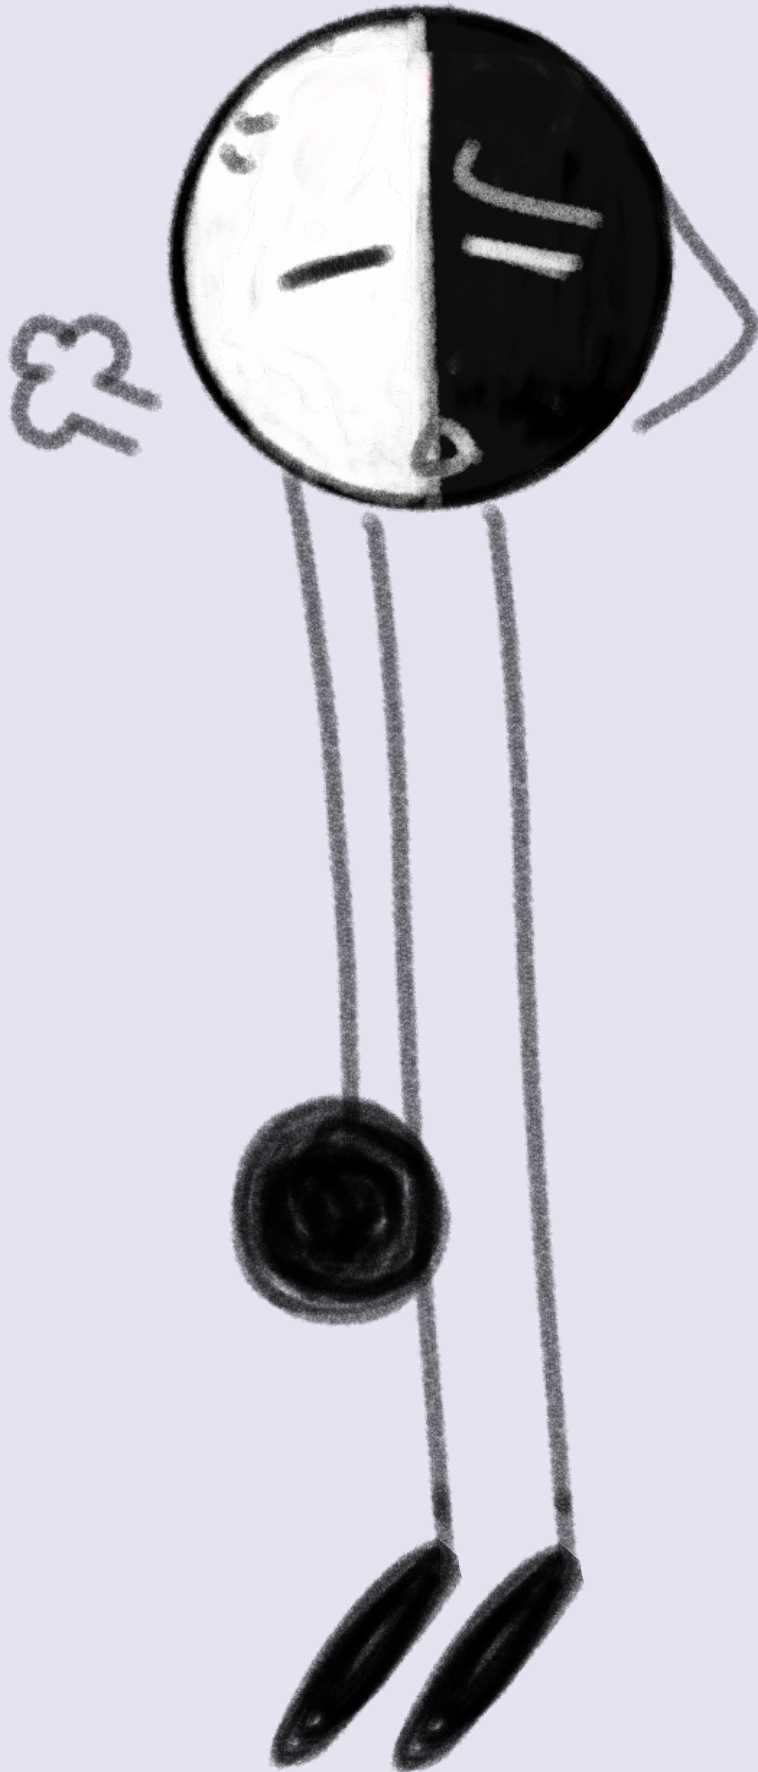

Lea
wuz
here ☺

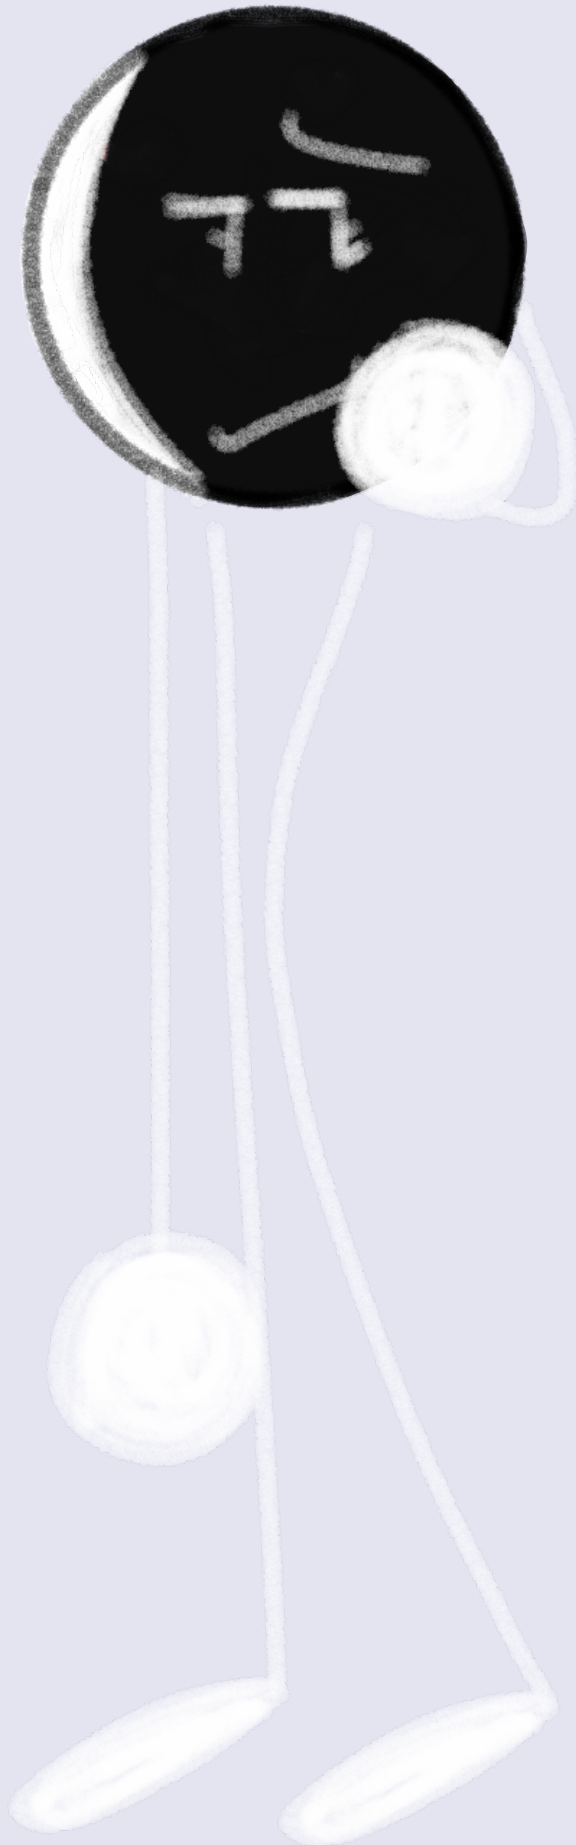

Waning Gibbous Moon

- She/her
- From Earth, the Moon appears to be more than half lit on the left 🤪🤪
- The light is now decreasing 🙄🙄

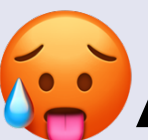

Third or Last Quarter Moon

- The Moon is three-quarters of the way through its cycle **!?**
- It appears to be half lit on the left 🙄🙄🙄

Waning Crescent Moon

- The lighted part of the Moon as seen from Earth is decreasing 🤩🤩
- The light is on the left 😼😼
- The shape of the light is a crescent 😊😊

   According to
the phase of the
moon, you can
predict what is
next!!!!
