T: *he's just laying down on the couch being lazy*

Nora: "Who drank my last Dr Pepper??" *She went out of the very small kitchen they had*

T: "W-What are you talking about?" (I know that reference)

Samcat: *in shower*

Nora: "Did you seriously drink it right after I said not to?" *nora shot him a small glare and approached him*

Samcat: *walks in the main room without clothes on* "ok i'm out of the shower!"

Nora: *she looks over to samcat* "Did you drink my last Dr Pepper? Also why don't you have any clothes on...?" *she sighed shook her head*

T: *he looks over at samcat* yea did yo- PUT SOME DAM CLOTHES ON

Samcat: "no I don't think I will. And that Dr Pepper was tasty!"

Nora: "So it was you!" *she looked at samcat then looked away forgetting the whole no clothes thing* "Get. Clothes. On! I don't wanna see all that"

Samcat: "ok fine" *going into his room, T and Nora can hear Samcat rummaging through something. Then he walks back out looking exactly the same*^{*->*}

T: *he shakes his head disappointedly as a message pops up on my visor saying "wiping memory from 2 minutes ago"*
