

👊 I'd be in jail for killing the person who killed you. 👊

👧 We are true friends. 👧

👨 We ride together, we die together. 👨

😓 Send this to everybody you care about,
including me, if you care. 😓

See how many times u get this.

100 I want you to know you are an amazing
friend, till death and forever. 100

😞 If I don't get this back, I understand. 😞

😏 But I have a game for you. 😏

😏 Once you read this letter,

you must send this to 15 people,

including me. 😏

❤️ If you get at least three back, you

are loved. ❤️

😞 Nobody knows how important

something is, until they lose it. 😞
