

Hi guys! So update about my crush his name starts with an L so we are going to call him lafytafy (that is what me and my friends have for code names) so basically I just wrote him a note saying "I have a crush on you. Will you go out with me? -Chloe" well i added more but I don't want to say it aloud. So I wrote him the note and slid it under his dorm room. Then I RAN back to my dorm. I am still waiting. Let's just hope he says yes.
