you can't  
sleep

you're a  
morning  
person

you're  
scared of  
the dark

you  
remember  
your dreams

you're  
always  
cold

you share  
your room  
with a  
sibling

you hate  
waking up  
early

you  
forget your  
dreams

you go  
to sleep  
late
