

For got to mention this for sparky. Aqua and sparky are both 7 years old in dragon years.

Name:aqua

Species:sea wings

Sexuality:bi

Status:alive

Backstory:she was raised in her tribe she was like every other sea wing she went to their version of a school and she was popular cause of her two toon color but she didn't like being popular. actually she didn't like being her tribe everyone was ranked high or not cause of how popular they. She grew up with sparky who was a RainWing. She helped him learn about their culture and how to hold his breath and use his color changing scales to communicate underwater. When she was wandering one day she over heard the Queen and on how they're going to use sparky as a spy she didn't want that to happened so she told sparky this and they escaped. They flew until they heard about a school where all the tribes would be and how they were going to have dragons from other tribes they went there and currently that's where they are.
