

Maybe I can't sing
Maybe I can't draw
Maybe I can't invent games
Maybe I can't knit
Maybe I can't crochet
Maybe I can't do gymnastics
Maybe I can't dance
But I want write
I can read
I can make mistakes
I can care
I can spread kindness
I can make stickers
I am creative
I can stand up for myself
I can make books

There's plenty of stuff you can't do, but there's plenty of stuff you can do.
