

Dear Noteability art community

STOP.

Stealing.

ART

share #stoparttheft

People spend years working on their art
Don't be rude

you are an awful human being

Seriously ppl don't make art just to claim as ur own

i don't care if you suck at art
Stealing will never be OK.

Do:

- make ur own work
- practice!
- Don't feel ashamed of ur art!!
