

I was able to recognize his voice since it's really loud. Andrew grabbed me by my arm and ran to the living room. "HEY GUYS SIN-U IS GOING TO MAKE TAKE HIS FIRST DRINK OF HIS LIFE" He yelled out. Everyone started screaming excitedly. and chanting my name, Andrew gave me the bottle he was drinking out of "go on drink it" he insisted. I don't know how to drink so I just did what my dad does, I chugged the whole thing and whipped my lips, everyone started yelling excitedly. I felt so alive, "wow Sin-U" Apollo said "THAT WAS AMAZING" he yelled out. He picked me and took me outside "there is more here" he said while opening a cooler. I grab one, I opened it and started drinking it. I felt like I was doing something wrong but it felt right, "Seems like you got the hang of drinking pretty quickly" Apollo said. I nodded, "so what do y'all do on party's?" I asked Apollo, "we mainly drink and sometimes make out if people get over their limits" he replied, "what's your limit?" I asked him. "Like six or seven" he replied with a smile. "I wonder what me limits are" I told him "you'll see once you get tipsy" he said. We walked inside and went to the living we were going to sit on the couch but there was only room for one person since all the other people took the rest of the spot to talk with their friends. "Wanna sit their?" I asked Apollo "No it's fine you can sit their" he replied. We kept insisting each other until he sat down and pulled me on his lap. I was so red, "umm, Apollo are you tipsy?" I asked him "No, I just got tired of arguing over who is going to sit the couch" he replied with a smile. I wonder what'll happen if Way-Len was here. "Looks like you two are getting along" said Vera walking towards us "whatever, Vera" Apollo said. Zera walked away, I felt tired so I told Apollo that I wanted to go home "I'll walk you home" He said. We left the party and walked home, and I remembered that my parents aren't going to be home for two weeks. "Can you stay with me?" I asked him "Like a sleepover?" He asked. I nodded, "Sure why not" he said. We walked in and I took my shoes off, Apollo did as well. I went to the kitchen and filled Pollos bowl of water and his food bowl. "Hey Pollo" Apollo said crouching down to pet Pollo. Pollo ran to him and liked his face, I patted Pollos head and went up stairs to shower. I grabbed my towel and went to the bathroom. I turned on the bath instead of the shower since I felt like taking a bath. I rooked off my clothes and got inside the bath. I spend twenty minutes in the bath. After twenty minutes I grabbed my towel

and dried up. I changed into my pajamas and walked downstairs. “I left you some clothes in the bathroom, make sure to pick up after yourself” I Apollo. “Ok thank you” he said. He walked up, I waited for what felt like hours. He finally came downstairs. “Are you hungry?” I asked him, “Yes I’m so freaking hungry” he replied. I went to the kitchen and made some eggs and rice for us. I served it to him and we both ate.
