

I finished my math test and I'm bored 😞 so I had an idea...

Do you guys have gmails? If ur comfortable with giving them I can make us a BIG chat on Google photos or Google docs and we can chat that way! We'll be the ✨notability peeps✨ I'll only do it if a bunch of people voutenterr bc my Gmail has my name in it and I haven't reached 100 yet so I don't wanna spoil...

ps if u wanna chat my privately let me know and I have my a private chat :)

PPS this isn't forced no one has to do this if they don't want to or if ur not comfortable with it
