

Ok so I just got notification that @r0_yal did not quit and was joking.

@r0_yal I understand that you don't want us to be mad but I was worried out of my mind trying to get co ceo. I have to now state that if another inconvenience like that and you will be perm banned from The Notability Peace Makers.

As for the subjects in the Peace Makers, I am the CEO. @r0_yal is co CEO and @superb_sudon is coo

Thank you and sorry for the inconvenience.
