

I had the dumbest idea ever yayayyay

Basically, I thought it would be interesting to combine ppl's ocs together

Remix this note with the name of an oc of yours (with a small reference if possible) and once the list is full, I'll spin a wheel and see who's ocs will be combined (by combined I mean take some features of both and combine them to make a separate oc)

1) Blur 

2) Lilly 

3) Haley 

4) Margo
