INT. HAWKINS LAB

The dark clouds swallow the stars. As we go into the “INT. Hawkins Lab” we hear sirens, a man runs for his life. Faster, faster, faster. He gets near a elevator and presses the elevator button to go up, over, and over again. He looks back in a scared, intense way. The door open, finally. He fears a rumbling noise from above him... he looks up and he eyes go wide, something... lifts him to the ceiling. The door snaps shut.

EXT. SUBURBAN NEIGHBORHOOD - NIGHT
