You can't
Sleep

Once i Stalked up till
8 cus i Couldn't Sleep

You're a
morning
Person

You're
Scared of
the dark

i Sleep With
LED lights

You
remember
your dreams

Yea

You're
always
cold

You Share
your room
with a
Sibling

You hate
waking up
early

for school
6:30am

You
forget your
dreams

You go
to sleep
late

Can't do anything
about it
