

❄️ Q & A questions ❄️

@gabbieluvsmusic: How did you get interested in figure skating?

- so, I went to a skating rink when I was 8 yrs old. at home, I told my parents that I wanted to figure skate as a sport. So, they got me skates, and 5 yrs. later, here I am.

@cylu728: Favorite color and why?

- my fav color is pink because i just think its pretty and there are so many different shades to make.

@shadow236: What's your fav food

- my fav food is sushi. I love how you can make it at home and add lots of stuff to it to make your own roll of it.

@gabbieluvsmusic: name and nationality

- if its ok, im gonna use my nickname, which is Daisy, Im american, but im also Scottish, German, Italian, Irish, French, and British. my ancestors were from Germany, Ireland, and Scotland. (Idk if this is important, but im part of the largest clan in Scotland. Its also a royal clan) the ones from Scotland and Germany got married and had

children, then one of them married someone from Ireland and had kids. then they moved to France and stayed for a couple generations.

then the last generation moved to America, and then had my great Grand ma, then she had my grandma, then she had my mom, then she had me
