Soccer Explained: The first thing you need to know is how many players you can have on your half of the field. For younger age groups, they may play 5 vs 5 or 7 vs 7. For the upper age groups they may play 9 vs 9 or 11 vs 11. The goal (no pun intended) is to pass to your teammates and make the soccer ball go into the other team's goal. (goals are on green). This will result in a point. At the start of the game and after a goal is scored, the ball will go to the half line (red) and be kicked off by the opposing team. (the team that did not score). During kickoff, players must stay on their side until the ball is played. They cannot step over the red kickoff circle. If the ball goes out of bounds (yellow) the team that did not kick it out, will get to throw it in. The positions on the field can be: Defense,
