

Hey everyone

How are all of you doing sorry I haven't posted in a while just trying to think of what to post so here's a couple of things I want to talk about

1. I am still working on the wof book it's just taking a lot of time because I've tried to think of how to do this stuff but it is being worked on
2. I'm gonna make mha characters and wacky adventures and what not with them it's gonna be random stuff so yeah
3. I do just want to take a minute and say how grateful I am to have 40 followers like honestly I didn't even expect to make it past 10 I don't usually have high hopes for this stuff but I just want to say thank you all for breaking my expectations

and that's about all I have to say in this post as I said thank you 😊 and I hope you guys like my future posts any who bye
