

Astal has a VERY Big family, and that doesn't include the second Cousins.

ASTAL HAS 187 family members (without second Cousins)

When Astal was a 2 yr old her original house burned down and took her favorite stuffed animal with it, so since then she's never let her new one out of her sight.

Papillon is "Butterfly" in French

ASTAL

Papillon [4]

my quiz said I was a lab so I took reference from Jean-Luc.

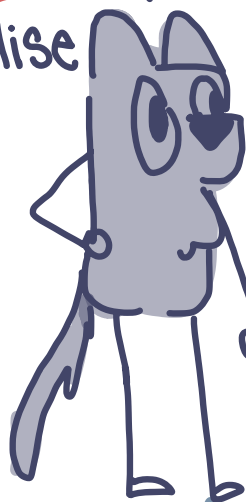

My Canadian-French baby is

my poor baby has a very bad Anxiety problem, and has a Therapist to help with it.

THE PARENTS

F Elise

M ANTON

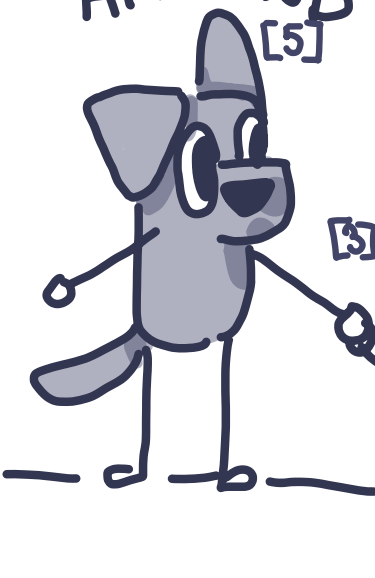

The Siblings
