Ok I am going to take a break. The gallery has been a strange place lately... it's been infested with drama, and I just feel weird about it, it feels like it's been growing more toxic? Or it is just me? I don't feel like it's as supportive anymore, but it is always easier to focus on all the bad things in life. Anyways, I have some tests that I need to focus on (and Fortnite...). So I am going to take a break! I will still be drawing and possibly liking/commenting but I dunno anymore. Just wanted to pop in and say also thanks for 293 followers in 8~ months! It means a lot to me that so many people appreciate me in some way! Thanks for motivating me to draw more too! I hope one day I can make even more art.
