

So here are a few mystery WOF characters, if someone wants to just call it in the chat.  
erase=● (They are the WOF oc's I posted not long ago but people can use it as their character)  
if you get it. 🤖

@sheepygirl

A purple arrow pointing from the handle '@sheepygirl' to the top of the redaction box for character 4.

BESTIE2

A large black arrow pointing from the text 'BESTIE2' to the bottom of the redaction box for character 5.
