

Draw your interpretation of this OC I came up with

Her name is Luna Ray (she/her), she's a 17 yr old who likes dancing, she's a Libra, she likes sweet foods, she's bossy but has good intentions. Please tag me when your done and do #eyera on the post. I'll come up with the winner when I see a lot of responses.

P.S.

if you add this eye to anywhere in the drawing EXCEPT for the face you get a higher chance of winning
