

Tongue-tied, dead inside
Nothing left, not even pride
This isn't how I thought the future would go
Hëll-bent, soul is spent
Nothing left here but to repent
I've gotta dig myself back out of this hole
This isn't my fight, this is my war (war), war (war)
I never wanted anything more
(This is my)
This is my war (war), war (war)
Everything I love, I'm fighting for
(This is my) this is my war
Crazy eyed, certified
Nothing left but shît inside
Nobody said this would be easy to do
Drying out, crying out
Nothing left but pain and doubt
I would be lying if I said it's for you
This isn't my fight, this is my war (war), war (war)
I never wanted anything more
(This is my)
This is my war (war), war (war)
Everything I love, I'm fighting for
(This is my) this is my war
This is my war
This-
This is my war
This is my war (war), war (war)
I never wanted anything more
(This is my)
This is my war (war), war (war)
Everything I love, I'm fighting for
(This is my) this is my, this is my war
