

Hey guys, so if you didn't see my acc I will be completely inactive soon (leaving) and I have a post on the way that explains it all. Please look out for it (I recommend just checking my account if I forget to make a post about it) and I will answer any questions! Short disclaimer, it's is not because of mental health or nota drama (I never cared about it) or even my parents (at least, not mostly). So keep a lookout!
