@aden9

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory just always seemed to bore me
'Cause only those I really love will ever really know me

@youcantbeme18

I broke a glass, I tripped and fell
I told secrets I shouldn't tell
I stumbled over all my words
I made it weird I made it worst
Each time I step out side
It's social suicide
It's social suicide
Wanna curl up and die
It's social suicide

@PoppyPopcorn

I got this feeling and I know that it's wrong
It breaks and haunts me, I've been fighting for so long
I numb my ears and close my eyes to escape
Look at the mirror try to smile but it's just fake
And I'm wondering
Am I enough?
I feel like their better and I'm broken
Am I enough?
