I must've gone fishing... because you're the perfect catch.

I lost my phone number, can I borrow yours?

No pen, no paper...but still, you draw my attention.

My parents told me to chase my dreams—I guess that means you better start running.

No, I'm not 14, but I'm the 1 4 you.

Math is so confusing. It's always talking about X and Y, never about U and I.

Hey, I'm Microsoft. Can I crash at your place tonight?

I see you like tequila. Does that mean you'll give me a shot?

Can I borrow a kiss? I promise I'll bring it back.

Are you a Wi-Fi signal? Because I'm feeling a strong connection.

Are you oxygen? Because I can't live without you.

Is your name Elsa? Because I'll never let you go.

I'm no photographer, but I can picture us together.
