

So anyways lots of people have left notability either cuz they got reported or for personal reasons so if you see this remix it and add someone's user in a column and then write a note for them. (If there aren't enough columns make more on the next page

@anabelle

Hi!! I know we still talk irl but you did so well on notability. The time it lasted was fun and good and if you ever rejoin, people will be here. -eyera_the_arts

Ps: here's a mini chicken 4
