

Are y'all besties? Bingo

you're always talking during school

Just some friends

you try to help when they are in need

try... They don't really help me tho

you constantly insult each other

you invite them to do stuff all the time

some time

they know all your secrets

My BFF

you get back at everyone who's mean to them but you're also mean to them

everyone thinks y'all are in love

some

you're not

you help them with homework

Only a few friends

you're constantly competing against each other

you share a braincell

My BFF

you share food

you've known each other for 5+ years

My BFF... all 12 of my yrs

Free Space

you call all the time

Bestie

you put up with whatever weird phase they are going through

Everyone
