

Sorry I haven't posted in a long time but we NEED to talk about the outsiders musical!!! I went to go see it while i was in nyc. It was so good idk how to even express it oh my god. They had gravel all over the stage, it rained for real during the rumble, and real fire during the chuch fire. Great expectations live was so good i litterally ascended. There were very little scenes and a minimalist set so the whole thing was very fluid. Johnnys death was the only silent moment in the show so it was really impactful and dally's song was such powerful number and it was really sad. I also felt like every opportunity for a fun number they took, so part of it felt a lot like newsies. Darrys song was absolutely incredible his voice was so good. Sodas letter had me in tears. Two-bits hoods turned hero solo was so cute. ALSO OH MY GOD YOU GUYS!!! WHEN THE SHOW WAS OVER THE ENTIRE CAST CAME TO THE STAGEDOOR THAT NEVER HAPPENS!!!! I GOT TO MEET THEM ALL AND THEY ALL SIGNED MY PLAYBILL AHH!! I LITTERALLY LIKE MELTED AND I WALKED AWAY CRYING HAPPY TEARS!!!! I will be posting songs and other stuff this was just like general.
