

Happy new year, here's an apple juice for you: 🍏

Anyways, the NYC ball drop was 2 minutes late, worse than last year 😭 and then it showed two men kissing and I said, very loudly "Now that's what I like to see." With a straight face 🦴

But really, hope this year is better for some people. Just remember: no one has it better, no one has it worse. I've found great people in the past few years, and I wouldn't be who I am today without them. You can find the right people too, it doesn't matter what "category" they fit in. Because, there aren't any categories, they are human just like you.
