

Cats

I love cats

I hate you

NO

I'm tightening the rope

Goodbye

Don't leave. If I have to become the angel on your shoulder, I will. If you leave, I'm gonna delete my account, and I don't wanna do that.

-@qibli

If I leave... you will cry... but Royal and her followers? They will laugh. I want them to laugh. **And for them to laugh. I have to die**
