

Not-so-local Genshin fan is back hehe
I got Wanderer at 65 pity no guarantee... but I didn't
get Layla even tho I did 30+ wishes (started with
a little under 30 pity from Neuvillette and Arlecchino
banners)

I'm working on some fanart of him rn
He's at lvl 40, 2nd ascension done (it's the stupid
Mushrooms they're so hard to find) and I'll test run
him once I get a good shielder
I won't say Layla cos I'm prob gonna get Baizhu
before Layla 〃〃 ~@st4rrlight

PS I literally screamed in excitement when the star
turned gold and I saw Wanderer's wish art lol
