

I'm sorry to Husky bc i love them but y do u believe @we1rdch1ld and @tigers27 bc

1. @i_love_w33d only just asked me out today, April 13, also when they broke up w their ex and when I broke up w my ex (@girlypoprules which is still nice and we r still friends 😊👍) and the email was 3 days ago so... i have literally no other reason not to believe them bc the evidence is there

I still love you Husky and I will forever follow you but I just want you to understand that

@i_love_w33d didn't deserve the ban
