Lukas you fucking coward! You started this damn war and you want even fight it yourself! Even I am fighting cleaning your god damn mess, again!

You really think someone like me should be fighting? I don't understand why you're so mad at me.

your kidding? → No. Why are you mad?

Are you kidding me? I and Iris work for years to bring peace to all 6 nations, and you undid all of it! You even got iris to break off from us!
