

Hey Guys! Tomorrow I have a PSAT for 3 hrs straight and then lunch (can't eat snacks when testing 🤔 imma die). And then we have this these things we can do and I choose watch Shrek (idk where my mind was when we chose). And I literally have no one in there that I'm close with (all of them choose smth and I didn't know what they chose). SHREK FOR WIN IG LOLOL (heavy sarcasm)
