

can you believe  
guys? pressure  
update! just a  
week (3 a day)  
away! go there  
so fast!

(it's for the hunt: mega edition,  
surprised they did something for  
an official roblox event after what  
happened during the haunt / the  
haleyard. Though this expedition  
is meant to take place in an  
under construction area of the  
blacksite... 00)
