

I just woke up from a nap 😴 but I thought of something ok so in the comments or if you can't comment like me remix it or just post my name so I can see what you think I look like . I am a girl and I am 13. That's all you get and I am Spanish but if you were to see me you wouldn't think and based on my voice which was already posted guess how I look I'm excited to see what you guys come up with.

Ps: I don't care if you get it a totally different color of my skin I will not be offended if you say my color is my skin color is like I can't say this without giving out like hints but like I'm not gonna get offended of you guessing my recent stuff because I'm telling you guys to do it.

Let's see how gets the closest ❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️ have fun if you want you can also drawl me to you choice or you don't have to do it it's you choice. ❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️
