

ok talking abt the whole “queen thing and test score”

so to anyone confused, it’s just a joke and a bit of fun, let me have it obviously we are all equal.

and that test was really hard for me. that’s a good score for me.

ik it doesn’t seem like a very good score, but as someone who struggles with math lots, that’s actually pretty good.

I don’t need people commenting on my videos saying stuff. you guys know who u are and pls just stop. im just trying to make it fun for myself.. don’t take things the wrong way, or don’t comment before yk the full story
