

To all fans and readers of me and @hogwartsavenger's fanfic for Percy Jackson, here is an announcement. So, as some of you know, Lura is not joining the new quest. This means that there will be no more Lura POVs until the end. There may be one in between then and now but it depends. Keep reading @hogwartsavenger's amazing work (seriously do!!! She's awesome!) for all the new chapters in the story. From the bottom of my heart I want to thank everyone who read Lura's story. This was my first public writing I ever did and it was the best. I hope to do more in the future. Thank you. Have a great day everyone!
