

## A Señor Wooly watch guid

- I'd recommend starting with the YT, and watching the Billy La Bufanda ones first
- They also have a twitter, but idk how often or what they post as I'm not allowed to have/go on it
- While you need a subscription on the website (<https://www.senorwooly.com>) to have access to all videos, you can still A. Look at the little thingys on it B. Look at the fire merch
- While, they do have all their songs on YT music and Spotify, no music videos sadly :( \*bowomp\*
- PLEASE LOOK UP WHI LA DENTISTA IS I KNIWN THERES MORE SIMPS LIKE ME PLEASE
