

Hey Yall!

So ur girly is in a slump. Not just art slump, but in life in general.

But I figured I make a competition!

As many of you know, I am an Aspiring Author and drawing is just kinda... how do I say it...
Like a way to figure out these characters

My competition is this (and I'll let you choose)

Who can draw a couple from my books?

I'll give names and just ask for descriptions for who you want, and I'll tag u in the note!

The winner gets either

A) a request of anything (THAT'S APPROPRIATE) for me to draw

Or

B) I do your drawing in my style

Up to y'all to join or not, but it's be cool! I'll tag some people who I think may or may not me interested (YOU DO NOT HAVE TO DO THIS IF U DONT WANT TO!)
