@Ditto\_17!!

Ok. Congrats to our winner @ditto\_17!!!!!!  
I'd really like the look of your art it's really cool!! The art style itself is just beautiful and I think you deserve first place though it is really close! The black lipstick totally fits her personality. In my next post, I will put out the awards of all the other art. Give her a round of applause everyone! All of your art is amazing!!!
