

haii, i had a dream where i met all of you.... so i was getting out of a van to get candy (very sketchy lolz) (joyce and jim hopper where in it :D) and i saw this little stand to get candy. before i continue.... where i was getting candy wasn't like in a town or anything, it was low key on the side of a sketchy street- now, back to the story. so when i was walking to the stand some people (@dockat @kaddraws @h3ll0\_micki3 @potuc and @ajax\_the\_salmon) where holding skateboards and somehow right next me.... a skatepark randomly appeared so not even asking i walked with them.... i just joined in. help me. and then we where friends after 3 seconds- okay, well thats the story but i have one more thing to say

i may not be posting a whole bunch because im trying to figure some stuff out with tutoring
