

I want to dye my hair like this :D

Where art thou?
Why not uponuth me?

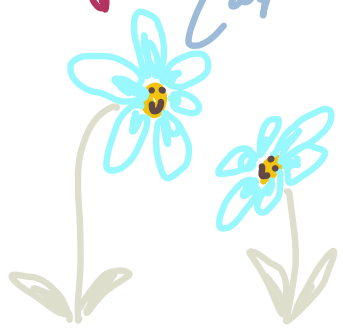

Drawing and writing w/ my left hand :D

Guess who just
had surgery

with wise staff
surgery is
lowke not that bad.
If you ever have to get
it, don't be afraid.
Even if the
surgery is for a
long time,
the
sleepy meds
make it feel lik 2 sec

yea lol I got my
appendix removed hehe.

I can't take anything
seriously 🤔

I look
like I got
a tan
lol

so hospital core

I'm completley
fine now 🤪

It just feels weird :P

they gave me Fent :O
it's completley
normal in
surgeries
i just
thought it
was
crazy 'im
over dramatic
+ me.
