

- When BTD is activated, is it just rewinding time, erasing the timeline it was in just then, or creating an entirely new one?
- If 「The Hand」 can erase anything, it could've just erased Killer Queens hand so he couldn't not only detonate anything, or activate BTD
- If King Crimson can just fast forward time 10 seconds, you could just blip off of a cliff
- Silver Chariot could just blind someone if he wanted to
- While Jotaro was in prison, Star Platinum was trying to prove it was being friendly by bringing him things so he wouldn't be bored 😭
- Weather Reports Stand: Weather Report could solo the entire JoJo verse considering how it beat a stand ascended to Heaven-like power level
- Kars from the spin-off novel is the strongest character to ever exist, even stronger than DIO OH
