

Hey! So I'm on summer break and I finish in Jan 31. Next week I'm seeing someone every day! Also I passed level 9 in swimming and I'm now in level ten! The levels go from 1-16 and then bronze silver and gold. Once you go to bronze you can be a lifeguard. Btw the average level for my age is level 6 -7 so I'm over average?

Now I'm so excited since in year six is graduation and all of that! And omg right now it is so hot in Australia! It is never this hot at this time of summer!
