

I vividly remember having a scientist demon oc in gacha

[shes from last year ♡]

has some cilly dumb ahh name
↓ forgot

most understanding employee ♡

traumatized af
(father was head scientist and forced her to work as one after making her a demon)

2S? ←

telekinetic abilities

I'll just name her scarlet till I find her actual name ♡

(her body sketch is really half @f\$ed dont mind that...)
(no sketch core ♡)

(tested many times & developed thotised against needles + coworkers)

(was a test subject, now forced to test others)

lowkey smart tho
