

Well... quick announcement & shoutout that I should probably announce before it is too late. I am going to be starting a new YouTube channel this upcoming Saturday in the afternoon!! No, I probably won't be drawing with a few exceptions but it will be a gaming channel for mainly the following 3 games: FNF, Minecraft for PC on Java Edition, and probably Splatoon 3 as soon as I figure out how that works. But my channel will sprinkle around a variety of games but my channel will be called "KennaHalo." But the shout out is for 47 followers! Thank you so much for the support. <3
