

Jupiter is coming back! How do you feel?

(who is jupiter?)
Indifferent

bitter

(he's sad X is gone,
but Jupiter is staying)

(YIPPEE!!!)
overjoyed

(no more chaos!)
relieved

betrayed

(his role model was
a lying murderer)

resentful

(So... what's his
punishment now?)

(um... yay!
... yay?)

hesitant

understanding

(he's depressed, the nearest star is 4.24 ly
away, 268770 AU, its going to take
100,000+ yrs to go to the nearest star
system. Why did solarballs do this,
im depressed.)

Confused
(He was gone?)
