Everyone please comment on her posts and this one, she is so loved 🥺

For mackla,

You are so valuable to this world and hold a special place in our hearts. We will never forget this moment if you do this now. We will all be heartbroken and depressed. This isn't your only way out. Any of us will talk to u and we love you so much. If anything, **talk to an adult, call 988 the crisis lifeline, or wait a bit and see how you feel in a couple of days/weeks after talking to someone**

This can't be the end. You are worth so much. When you think of un@living ur self, think of your brilliant future. You have an amazing career, beautiful kids (if u want) an amazing house, an amazing partner (if u want) u could travel to amazing places and make amazing memories.
