Date of Burth: 11/6/21 ^{on} notability

Age: Teen

Tag: @jgirl

Fav color: cyan

Basic desc of yourself:

I am an teen in the US. I love singing, dancing, art, instruments, music, and reading. I have a dog and a brother. I wear glasses. When I choose a career path I would like to go into marketing or graphic design. I am obsessed with the kawaii culture and enjoy hanging with my friends. I am often bullied and I dislike mean people. I love notability and the wonderful gallery community.
